Pimperne School Prayer

(Written by Year 6 leavers 2014)

This is our school

Let it be full of learning and laughter

Let the classrooms be filled with encouragement and joy

Let us be safe, surrounded by our friends

May God be with us, and shine upon us with love

And let us remember to respect each other

As many hearts make a family

So many hearts make a school

And many hearts make Pimperne

Amen

School News

Overflow Car Park

At the end of next week, Friday 29th April, the overflow car park gates will be permanently closed. Pedestrian access will continue to be available through one of the gates. We understand that this is an inconvenience but unfortunately the decision is out of our hands and with Dorset County Council and the building contractors ISG. Should the overflow be used, the required repair work will not be carried out and we have been told that the school will be financially responsible for the repair work.

New Electronic Payment System

We are pleased to inform you that as of next week we will be able to offer an online payment system called 'My School Office' for school trips, breakfast club, School clubs etc. You will now have the option to pay online or by cash and this will be indicated on the relevant forms at the time of issue. We are hoping that you all take advantage of this option as we know that many parents have requested this service to be available.

Details of how this payment system works can be obtained from the school office.

Newsletter

The next and subsequent school **newsletters will be emailed** to parents rather than printed and handed to the children to bring home. If you would like a printed copy of the newsletter please contact the school office.

Please continue to check the calendar on the school website for other important dates.

Children's Achievements

"On the 29th of March I went to a show jumping competition in Morton to represent the school. I took three ponies along with me. On Pepper in the 60cm, I came 2nd and in the 70cm he got a clear round but was not placed. On Luke, in the 70cm he got two poles down so we didn't get placed. Last but not least, Timber in the 80cm came 6th in the 90cm she got another 6th. So all in all I had an amazing day and they all jumped really nicely."
