

Pimperne Primary School

Newsletter for Parents - Willow Class (Y3)

Spring 2018

As Artists we will be learning to:

- make patterns in Roman mosaics
- collage and papier mache to make 3D artefacts
- make items from clay

As Geographers we will be learning:

- the 8 points of the compass
- where Romans came from and the extent of their empire
- counties and rivers of England
- Roman roads and where they led to

As Historians we will be learning:

- chronological order of world history
- learning from different sources
- who lived in England before the Romans
- how the Romans invaded
- what the Romans left for us
- how Celtic life was different to Romans

Our topic is.... **Celts and Romans – Is the Past Behind Us?**

As Scientists we will be learning to:

- use force meters and springs
- make predictions
- use scientific vocabulary
- explore magnets

As Design Technicians we will be learning to:

- select and measure out ingredients using scales to make Roman recipes
- measure and cut materials accurately to make artefacts
- plait
- weave
