

PIMPERNE PRIMARY SCHOOL **HOME – SCHOOL AGREEMENT**

At Pimperne we recognise and value the partnerships that are forged between home and school for the benefit of every child. It is paramount in our aim to create an environment that is purposeful, honest and open, and which strives to create the very best opportunities for each individual at Pimperne Primary. Therefore, we aim to involve each stakeholder in creating the very best start to every child's school career. By working together we create the opportunities for our children to:

Celebrate Believe Aspire

This agreement outlines the points that all stakeholders should adhere to, in order that each of our children has the best possible experience of school. If you would like to discuss any aspect of this policy, please arrange an appointment with your child's class teacher. We would like to thank you in advance for supporting our school in implementing the contents of this policy.

The School

The Head Teacher and Staff of Pimperne CE Primary School are committed to ensuring that your child develops his or her full potential within a stimulating, learning environment.

To achieve this we will:

- Provide a safe and secure environment in which children can learn (including safe access to the internet in line with our policy).
- Provide a curriculum entitlement that is broad, balanced and differentiated to your child's needs. This will be supported by regular feedback on your child's progress through parent-teacher consultations, an annual report and ongoing conversations initiated by the class teacher or parent(s) with reference to your child's learning or behaviour.
- Inform you of what is being taught each term via class curriculum maps and our school website each week, in literacy and numeracy, via classroom display boards and class pages on our school website.
- Encourage children to be aware of their environment and take care of themselves and others by showing a positive, responsible attitude.
- Keep you fully informed about relevant school activities through good, regular communications.
- Positively encourage children to do their best at all times.
- Have an open door policy to actively welcome parents/carers into school and ensure teaching staff are always available at a mutually agreed time to discuss any concerns about your child's progress or general welfare.

- Ensure Home Learning reflects your child's learning needs, is set and marked regularly (in line with our school Home Learning Policy.)
