

Mission Statement

At Pimperne Church of England Voluntary Controlled Primary School, in a Christian atmosphere of faith and trust, we aim to provide a safe, happy and stimulating environment for learning. Our vision is of a school that has high expectations of its children and the adults who work here. We aim to develop the full potential of all our pupils, whilst nurturing strong links between the school, home and wider community.

This is achieved by:

- Valuing all members of the school community
- Building Christian values into the school ethos
- Encouraging alert and agile minds, a sense of curiosity and awe and wonder of learning
- Providing a stimulating and creative education of the highest quality, through a broad and balanced curriculum
- Fostering awareness of individuals to ensure they develop a respect for themselves and for views and feelings of others
- Sharing and celebrating successes and achievement within the school and in the community
- Developing care and respect for their environment and the community in which they live
- Welcoming in to the school parents and representatives from the local community
- Show children they have rights, but also responsibilities, within a loving and tolerant community
- Celebrate diversity, ensuring fairness of opportunity
- Enhancing support or challenge for individuals through quality teaching and focused interventions, ensuring individual children's needs are met through the excellent knowledge of the class teacher
