

# Pimperne Primary School

## **In History we will be investigating:**

- **A brief history of the locations we are studying in geography**

## **In Geography we will:**

- **Compare locations and people in the United Kingdom with those in Europe and the Americas**
- **Using maps, atlases and globes**

## **In Maths we will be concentrating on:**

- **Consolidation of place value knowledge**
- **Developing reasoning skills**
- **Interpreting data presented in different ways**

## **Newsletter for Parents Year 5 — Summer 2018**

Our Summer Term  
topic is

Around the World

## **In English we will be learning:**

- **To write biographies**
- **To write discussion texts**
- **To improve accuracy of answering comprehension questions**

## **In Art and Design we will be:**

- **Using sketchbooks to collect, record, review, revisit and evaluate ideas**
- **Use computer design to produce pieces of art**

## **In Science we will be:**

- **Learning about living things and their habitats**
- **Looking at the life cycle of humans and other animals**
