

7. History

If you would like to know what transactions you have made or you would like to see what dinners/club sessions have been taken, you can find this in the History section.

The first tab available is the **Transaction History** tab. This tab gives you a breakdown of any payments you have made, whether that be by debit/credit card or by cash/cheque within the school.

The screenshot shows the SchoolMoney web application. The header includes the SchoolMoney logo and the title 'History'. Below the header are four tabs: Transaction History (selected), Club History, Dinner History, and Dinner booked. The main content area displays a list of transactions with the following details:
