

## Year 4 Silver Birch w/b 30th March 2020 Suggested learning

Dear children and parents, due to the school closure, here are some suggested weekly learning activities. We are still available by email so please send in any completed home learning, photographs or emails to let us know how you are getting on. We look forward to hearing from you. Stay safe. Mrs Nix and Mrs O'Boyle

Please also find attached some websites for additional learning you may wish to engage with to support your child. [Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home. [Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

### Weekly Maths tasks (Aim to do 1 per day)

Sumdog – Addition assessment

Sumdog – Multiplications assessment

The mystery of the missing gluesticks (*Resource*)

Play on [Hit the Button](#) - focus on number bonds, halves, doubles and times tables.

Complete Maths bubbles (*Resource*)

### Weekly reading tasks

Read daily for 20 minutes

Explore new vocabulary you find when reading. What does this word mean and how could you use it in other contexts?

### Weekly spelling tasks

Practise the Year 3/4 for common exception words. Choose 5 Common Exception words and practise spelling them in different ways – pyramid writing, rainbow write etc.

**Spelling frame – Year 3 & 4 spelling rule 1**

Sumdog – spelling assessment

### Weekly Writing tasks (Aim to do 1 per day)

Choose the correct homophone (*Resource sheet 1 and 2*)

Create your own comic (*Resource*)

Write a diary entry summarising the events from the day/week. What has happened? What is going on in the news? How are you feeling?

Make a list using words/ drawings to find all the things in your home that use electricity. If you could keep only one item which would it be? Why?

Write a letter to a friend or teacher at school. Think about how to structure it, explain what you have been doing, how you feel and what you would like to find out from them?

### **Learning Project - to be done throughout the week**

Be creative Complete an observational drawing of what you see outside a window in your house. Think about the shapes and the scale of the picture.

Have you created a creative rainbow for your window?

Be active *Recommendation at least 2 hours of exercise a week.* Have a go at the Joe Wicks morning PE sessions or Cosmic kids – Yoga sessions

Be geographers Can you draw a detailed mind map of your journey to school? What roads do you walk or drive on? What buildings, places and landmarks do you pass?

Be Scientists Fun with flight. Design and make a paper aeroplane that will travel the furthest. Does changing your design make it go further? Can you challenge other members of your family to do this too.
