

## **SPORTS PREMIUM IMPACT REPORT 2017 – 2018**

Listed below is the impact that Sports Premium Funding has had on Pimperne Primary School pupils during the academic year 2017/8

### **IMPACT**

#### **Increased participation in intra school sport**

More competition in sport for all pupils. This has continued to happen in PE lessons, extra-curricular clubs, early morning activities, sports relief week, whole school Cross Country competition and Sports Day.

#### **Continued participation in inter school sport**

The school has again entered teams into all possible competitions

#### **Increased participation in Extra Curricular Clubs**

Much more take up for existing clubs and an increased choice of clubs

#### **Increased activities at break times**

More equipment and supervision provided so pupils have opportunities to participate in physical activity each break time.

#### **Continued sporting success**

See below

#### **Provision made for continued growth of our sporting ethos next year**

With a specialist PE teacher working with our staff, they are continuing to develop their expertise in the teaching of PE.

#### **Developing of a high quality PE scheme of work**

Specialist PE teacher liaising with staff to write a scheme of work.

#### **Focus on Health Lifestyles**

In lessons and with external workshops and activities such as circus skills, Kite flying, zumba, motivational speaker.

#### **More Outdoor and Adventurous Activity**

We set up an orienteering course around the school and had maps made. Also, there was 100% attendance on the Year 5 & 6 Residential Trips, both of which are based on outdoor and adventurous activity.

#### **Better and Increased range of PE equipment**

As the start of a programme to upgrade our PE equipment, much new equipment has been purchased.
