

Home Learning - Weekly Reading Challenge 30/03/2020

Every Monday, we will be sending home a reading challenge sheet. The sentences on the sheet are linked to the phoneme or tricky word that we have been focussing on each day. Please practise reading the sentences with your child each day to consolidate our learning in school. You will notice a rhyme (in blue text) with each sound. These have been developed to help the children remember the sound.

Monday Phonic focus: ee /ea See the bee Each bead The sea was very calm.	Tuesday Phonic focus: e-e Even Steven What is the fancy dress theme? My homework is complete.
Wednesday Spelling focus - to / the Reading focus - he / she He was playing football. She went to the party.	Thursday Phonic focus: wh/ph Why did you whistle? The elephant is on the phone When do we do phonics?
Friday Phonic focus: ie The man wore a tie. The fierce tiger ran quickly. On Monday we ate apple pie.	<u>Some additional ideas about how to use these sentences to develop reading skills.</u> You could ask your child to draw a picture to go with a sentence or they could use a colourful pen to add sound buttons to the word containing the focus sound. You could talk about the punctuation used. Ask your child to be a detective and spot the capital letters, full stops and question marks used.
