Dear Year 3,

I am sorry that we cannot be together to learn this week. However, I have been looking at your progress on Sumdog and am pleased that you are having a go at the tasks. I have set. Here is your home learning for next week. Mrs Hayward.

Aim to do one activity from the list daily.

- Daily early morning maths mats (see resources.) Choose level 1,2 or3.
- [Sumdog](#) - Week 2- Multiplication and division. Class competition. Who will make it to the top of the Leader Board?
- Practise doubling and halving. Use [Topmarks Daily 10](#) - Choose your level and set the timer to 7 seconds or play a game (see resources)
- Divide a 2 digit number by a 1-digit number. Make your own place value counters to help you. Once you have had a go with counters, practise short division drawing out the counters. Then have a go with just the numbers. This [clip](#) may be useful. See resources for challenges.
