

### Year 3 Suggested Daily Timetable

Many of you have devised your own timetable to structure your days at home. However, if you are wondering how to break down the tasks into manageable chunks of learning each day, here are my suggestions.

9am	Morning exercise	Joe Wicks, Go Noodle, garden activities.
9.30	Early Morning Maths	Choose to do a Maths activity Mat, Target Number game or Hit the Button.
9.45	Maths	Sumdog Assessment/challenges or choose an activity to complete from the Maths section of the overview.
10.30	Break/snack	Go outside, relax and play.
11.00	Spelling	Choose either Sumdog or a spelling activity to practise five of the Year3/4 words e.g. rainbow writing (see resource sheet week 1)
11.20	English Activity	Choose one of the writing activities on the overview (some of them may take a few days to complete).
12.00	Lunch and Break	Go into the garden and get some fresh air! Help make lunch and clear the table.
1.00	Reading	Read a book, comic, dictionary or other. Record it in your diary.
1.30	Geography/DT/History/Science or Art	Choose one different activity every day from the overview.
2.30 - 3.00	PE	Choose an activity from the challenge cards or overview - no need to stop at 3pm...why not keep going? Include some yoga, circuits, fitness challenges to keep you healthy.
