

## Year 2 Design Technology: Moving Pictures

**WALT: Measure, cut and score with some accuracy**

Have a go at creating your own moving picture using a sliding mechanism.

Can you design a moving picture that links to our '**Grow**' topic?

- ✓ Measure and draw the line for your slider before cutting

1. Draw and label your ideas and the resources you will need to make your picture in the table below:

My Design	Resources

2. Make your picture...
3. Review your design

I like my design because...	Next time I would change...
