

Week beginning - 27th April - Year 6

Summer Term Week 2

Sumdog competition started!!!!!! GO FOR IT!!!!!!

MONDAY

Maths - **Sumdog competition**

- English - <https://www.thenational.academy/> I will enclose separate instructions on how to use this - work from week beginning 20th April **Monday - Harry Potter Reading Comprehension**
- Reading - 30 mins
- Topic - MAPZONE - **Map skills tab** - ordnance survey website for kids <https://www.ordnancesurvey.co.uk/mapzone/>

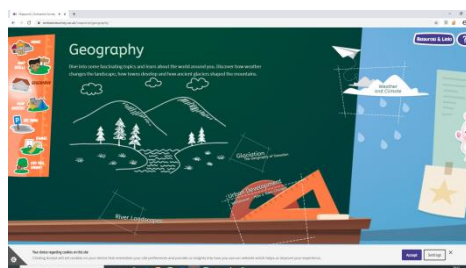

- I would like you to explore this website over 3 days this week (Mon/Tues/Weds). The map skills section is the most important.
- Use www.ordnancesurvey.co.uk/mapzone/mapskills to investigate grid references, scale, distance, compass bearings and map skills. Understanding scale ties in very closely with ratio in Maths.
- PE - activities from LB or workout with Joe Wicks (online)

TUESDAY

Maths - **Sumdog competition**

- English - <https://www.thenational.academy/> I will enclose separate instructions on how to use this - work from week beginning 20th April **Tuesday - Harry Potter Reading Comprehension**
- Reading - 30 mins
- Topic - MAPZONE **Geography tab** - ordnance survey website for kids

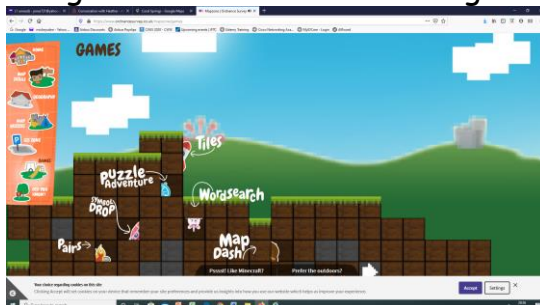

<https://www.ordnancesurvey.co.uk/mapzone/mapskills>

- PE - activities from LB or workout with Joe Wicks (online)

WEDNESDAY

Maths - **Sumdog competition**

- English - <https://www.thenational.academy/> I will enclose separate instructions on how to use this - work from week beginning 20th April **Wednesday - Harry Potter Reading Comprehension**
- Reading - 30 mins
- Topic - MAPZONE **Map quizzes and games tab** - ordnance survey website for kids. If you are finding the quizzes difficult, go onto the games. You are still learning even when playing! 😊

- <https://www.ordnancesurvey.co.uk/mapzone/mapskills>
- PE - activities from LB or workout with Joe Wicks (online)

THURSDAY

Maths - **Sumdog competition (finishes tonight)**

- English - <https://www.thenational.academy/> I will enclose separate instructions on how to use this - work from week beginning 20th April **Thursday - Harry Potter Reading Comprehension**
- Reading - 30 mins
- Science - work set by Miss Foreman - BBC Bitesize and activity sheet from your yellow folder
- PE - activities from LB or workout with Joe Wicks (online)

FRIDAY

Maths - Year 6 Arithmetic Quiz 5 (and mark)

- English - www.spag.com set by Mrs Jones
- Reading - 30 mins
- Science - work set by Miss Foreman - make your own fossil
- IPE - activities from LB or workout with Joe Wicks (online)
- Any finishing off

LET ME KNOW IF YOU WOULD LIKE ME TO ALLOCATE ANOTHER AFTERNOON SESSION TO ORNDANCESURVEY.CO.UK AND I WILL ADD IT IN ANOTHER WEEK. I ENJOYED PLAYING IT SO I HOPE YOU DO TOO 😊

MATHS AND ENGLISH LEARNING FROM THE NEW WEBSITE

INSTRUCTION SHEET ON HOW TO USE IT

How to use <https://www.thenational.academy/>

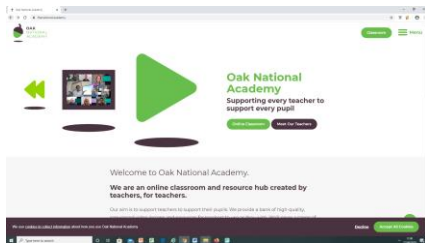

This is a new website that has been set up by the government and teachers to allow home learning to be effective whilst schools are closed. I would like Year 6 to trial this (English unit only this week and we'll try the maths another week) to see if you can follow the instructions on what to do.

I found the first unit fun and interesting (Harry Potter text - reading comprehension activities and tips for answering questions, scanning, word meaning, synonyms and antonyms, etc.).

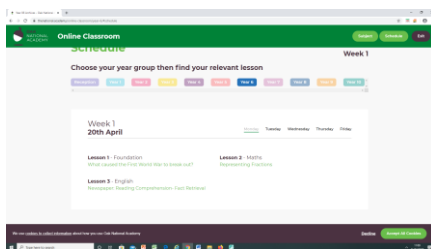

Instructions for use

- Google Oak National Academy or follow link <https://www.thenational.academy/>

- Green tab - Classroom

- Green tab - Schedule
- Choose Y6
- Choose English Newspaper: Reading Comprehension - Fact Retrieval from Week 1 20th April (be aware, that the layout of this page may change as I am looking at it at a different time to you doing it as home learning)

- Start lesson
- The first bit of the first lesson is to watch a video. This can be paused and re-watched if needed (and this is like the beginning of a lesson when I stand at the front and teach you)
- Once finished, click next activity and you will find slides of activities to do - you need to click on the forward button to reach the next slide (this is like

the main independent part of the lesson where you would be working and adults would be helping)

- Click next activity
- Sometimes there is a quiz next to assess your learning this lesson (show how much you have learned)
- Click next activity and it will tell you when you have finished
