Club Information

Please share this information with your child.

***Please note:** Extra-Curricular clubs will dismiss children from the front entrance lobby or the side playground gate. (Champions Football & Netball Club & Athletics from the side playground gate). This is in order to fulfil our safeguarding duties. Parents collecting from extra-curricular clubs will be asked to wait in the entrance lobby area or under the front door canopy whilst children are still on site. We thank you in advance for respecting our priority of keeping children safe.*

If any club is oversubscribed names can be added to a waiting list.

Key Stage 1 Step Into Sport Outdoor Club – Coach Alex - starts w/b 14th September

Wednesdays 3.00-4.00pm

This club is run by an external agency. However, Coach Alex is known to the children as she teaches within Reception and Key Stage One during the week. Coach Alex deals directly with parents regarding bookings and payments. Please see her Step Into Sport letter with details. Children will meet in the library area, leaving their belongings here and after the club has finished, children will collect their belongings and walk to the main playground gate with Alex, to be dismissed to parents waiting there. Please note the finishing time for this club is 16.00pm.

Children will be asked to wash their hands before and after the club. Children will be sharing equipment which is cleaned before and after use. Children will be mixed with other children in Key Stage 1. Children will find social distancing difficult and although encouraged, we do not admonish accidental 'childish' behaviours. Registers are

taken for additional 'tracking' purposes, should any child in this club fall ill with COVID symptoms. You will be informed if any member of the group tests positively for COVID-19.
