

PIMPERNE PRIMARY SCHOOL SPORTS PREMIUM REPORT 2020-2021

Grant received = £17,723	
Grant carried over from 2019/2020 = £13,065 (not spent due to disrupted year)	
Total number of FT pupils on role	200
Objective: To fund additional and sustainable improvements to the provision of PE and sport, for the benefit of all primary-aged pupils, in the 2020 to 2021 academic year. To encourage the development of healthy, active lifestyles, mental well-being and to provide Covid-19 recovery.	

Objective	Activity	Cost	Impact Assessment
To provide high quality teaching of PE throughout the school with specialist sports coach.	Employ specialist sports coach to work along side teachers and TA's to deliver high quality PE and afterschool Netball.	Staff costs £4342	All pupils experienced a broad range of activities/sports
To provide swimming lessons to those pupils that fall below the expected attainment	Specialist swimming lessons	Swim teacher and transport £350 COVID stopped swimming	Due to covid-19 the second set of lessons could not take place except two 1 hour lessons to target the pupils in year 6 that were below expected ability
To expand the range of play-time/lunch-time activities and additional After School opportunities (incl clubs)	More staff on duty and purchase more play equipment for individual bubbles.	£1,509	More pupils became engaged at playtime and lunchtime and overall behaviour improved across the school.
To ensure PE equipment and resources are of high quality to enable good teaching across the school	More equipment purchased throughout the year and pop lacrosse introduced as a new sport	£1,919 £672	High quality resources used throughout the school. New experiences for all children. Including new football goals, javelins, balls, bean bags, basketball resources, pumps and other equipment

To provide an OAA activity to the whole school so pupils gain confidence at trying a new skill	Climbing wall experience for the whole school.	£595	All children had a go, even if they were nervous or apprehensive. Watching others and supporting others in their class. They felt a sense of achievement and pride. The more able ones were able to demonstrate their skills and determination to reach the top. A very successful experience, which everyone enjoyed and would like to do again!
To inspire and motivate all pupils about how to overcome challenges and perseverance.	Aaron Phipps visit to the school. Q & A with years R – 4 Workshop with years 5 & 6	£595	A very successful day with lots of motivational discussions between the children. Large impact in year 3, as one of the pupils has just gone through an amputation and prosthetic limb operation. The day after the visit, the whole school took part in the Race for Life cancer research charity run. All children ran the 1.5k or 2km route.
To provide an OAA to year 6 pupils. Build confidence and team work through a new experience.	Year 6 sailing trip	Sailing £200 subsidised Transport £190 Other/Staffing £200	To provide practical challenge situations. To compete against yourself for personal bests. To work as a team and develop co-operative help.
To provide an OAA to year 6 pupils. Build confidence and team work through a new experience.	Year 6 Forest school trip	Activity £440 Transport £120	To provide practical challenge situations. To compete against yourself for personal bests. To work as a team and develop co-operative help.
Improve children's mental health through movement. Providing an opportunity for children to learn	Storm Break training to selected staff. This then can be	£750	Children and staff are learning new ways to deal with challenging situations. Different use of vocabulary to discuss how children are

strategies to cope with challenges at school and home.	implemented across the whole school.		feeling. The Stormbreak activities have been implemented in different ways throughout the school day to regulate the children.
