Chairman's welcome and address

It has been a pleasure to serve as chair in this year. It's been a pleasure to see the return of in person events with the sports day being a particular highlight.

We have lost some of the older experienced members of the committee during the Covid years when in person events have not been possible and as such some events have needed to be planned almost from scratch. Hopefully with a period of stability going forward and the event documentation it will continue to be easier going forward.

I would like to thank all members of the committee for their work during the last year and extend my thanks to anyone who has volunteered at any of our events. Without them we wouldn't be able to support the school and its events in the way we do. A final thank you to everyone who has attended any PTA events or activity.

It was a pleasure in our last meeting to be able to sign off the class funds and 'standard' school requests as well as to agree to fund twenty new laptops. I hope that with successful events during this year we will be able to top that up to a full class of thirty as well as support extra activities throughout the school.
