Reporting an absence.

Absence Reporting

Attendance is vitally important for your child's progress in school but, should you need to report and absence, you can now do so via the Parentmail App on your phone. Absence should be reported daily so that we can keep the registers up to date.

Instructions

From the ParentMail App, open 'Absences' and select your child's name. Select a reason for the absence from a drop down menu. Select an amount of time that your child is likely to be off school for. Add a comment / note to clarify the reason for the absence eg Flu, Sickness bug etc, and then send to the school.

Overflow Car Park

The overflow car park will be closed until further notice. One gate will be opened and secured to allow pedestrians in. The second gate must remain bolted closed.

Walking in/out of School

Please follow the pedestrian path to enter & exit school with your children. We teach the children the correct and safest route & respectfully ask that you do not challenge this & compromise safety.
